Civil Complaint Summary

During my stay in February 2021, there were computer operated voice integrated devices, COVID-19 systems with I #A 97E representing Allstate Insurance supporting corporate gangstalking broadcasting Thad Efferson an Allstate employee who puts microtransmitters (Dense vs Kingdom House Sober Living) (Dense vs St Vincent De Paul shelter) in both my ears. These COVID-19 systems were in toilets, ice machine, deep freezer, Keychains of employees, air conditioners, on carts for janitorial, all throughout this hospital. In an attempt to have me have a mental breakdown from these systems on 24 hours a day. The point of the systems was so that i would complain of voices to the doctor and be put on medication for paranoid schizophrenia and have record of the voices in my chart. This happened at several hospitals including Apollo, Seaside, etc. in an attempt to fraudulently send me to a mental institution. This is terrorism and this hospital supported Allstate in corporate gangstalking by these illegal broadcasting systems.
